

**Extraction from: Benesh Movement Notation Score Catalogue:
An International listing of Benesh Movement Notation scores of professional dance works, recorded 1955-1998
Ed. Inman, T. © Royal Academy of Dance, London, 1998**

All scores listed are unpublished and are not necessarily available for general use. The Institute has endeavoured to gather information of all existing notated choreographic works, however, the omission of certain titles does not necessarily mean that no notation of the work exists.

Score Lodgement: Numbered scores – a copy is held in the Philip Richardson Library for public viewing.

SK: Safe Keeping – not available for public viewing.

Educational Use: Scores available for educational use.
